CURRICULUM VITAE

PERSONAL DETAILS

Name:	Quarshie Isaac
Address:	C/O Eric Kudor
	P.O. Box CO 2162, Tema
Residence:	Tema Community 8, H/28
Place of Birth:	Accra
Hometown:	Greater Accra-Jamestown
Date of Birth:	28th December, 1996
Status:	Single
Tel:	0572301169	0552690110
Nationality:	Ghanaian
E-Mail:	youngquarshie@gmail.com

OBJECTIVE

To develop technologically interesting and cunningly designed applications for the web. I am a Full Stack Developer, and enjoy having input on all aspects of a project that suits my diverse skill set.

AREAS OF EXPERTISE

Application architecture/design at the system, function and unit levels for Web-based application systems in multi-tier environments.

Application programming for Web-enabled and client-server systems using JQuery, CSS, PHP, MySQL, HTML and others in a variety of integrated development environments.

Web and Graphic design using Adobe Photoshop, Corel Draw, hand-coded HTML and advanced CSS techniques. Design projects varied from corporate identity and professional web application interfaces.

TECHNICAL SKILLS

Back End:
- OOP PHP
- Model, View, Controller architecture pattern (MVC)
- Databases: MySQL database design, maintenance and optimizations
- Composer
- XAMP stack

Front End:
- OOP JavaScript
- jQuery JavaScript Library and DOM use, for creating rich user experience
- HTML5, CSS3, LESS/SASS CSS, Twitter Bootstrap, Compass, Responsive design, Mobile First
- Frameworks (Materialize Css Framework)

Other:
- Search Engine Optimization (SEO)
- Requirements analysis and gathering experience
- Web Host Control Panels administration, and troubleshooting.
- Solutions Architect (Project analysis, Tasks breakdown, Documentations, Time estimates)

OTHER SKILLS

- Comprehensive understanding of object oriented and service oriented application development techniques and theories.
- Internally motivated, able to work proficiently both independently and in a team environment.
- Strong communication skills with both team members and external business stakeholders.
- Strong initiative to find ways to improve solutions, systems and process with an organization.

PORTFOLIO

- Developed a Web Application for PesewaOne with HTML, CSS, JQuery (https://www.pesewaone.com)

- Developed a Portfolio Website with HTML and Materialize CSS Framework (https://www.riscyber.com)

- Developed a Landing Page Website for MYK Enterprise with HTML, JQuery and CSS (https://www.mykenterprise.co)

- Developed a Blog Website using Wordpress (www.mygoodnezzgh.com)

- Developed a Website for Special Educator with HTML, JQuery and CSS (https://www.specialeducator.online) under construction.

- Developed a Website for Wisdom Stars Academy School with HTML and Materialize CSS Framework (www.wisdomstarsacademy.com)

- Developed a Website for CHRICH Cabinets & Trading Enterprise with HTML and Materialize CSS Framework (www.chrichcabs.com)

- Developed a Student Clearance Portal using PHP, MySQL, Jquery, Ajax, HTML, CSS, Materialize CSS Framework.(On the Shelf)

- Developed a Point of Sales Web Application using PHP, MySQL, Jquery, Ajax, HTML, CSS, Materialize CSS Framework.(On the Shelf)

WORKING EXPERIENCE

Organization: Anifax Internet Cafe

Position: Café Attendant

Duration: 6months

Responsibilities:

- Making of photocopies
- Typing and printing of documents

- Scanning of documents
- Comb Binding and lamination of documents

Organization: Jobiz Print

Position: Graphic Designer/Typist

Duration: 2014-2017

Responsibilities:

- Designing of Brochures, Flyers, Calendars, Books, etc
- Typing and printing of documents

Organization: Oxglow Analytics

Position: Jnr. Web Developer (Internship)

Duration: 1month

Responsibilities:

- Assisted in the design, coding, and testing of technical solutions.

- Adhered to coding standards

- Troubleshooting system and network problems

- Monitoring and maintaining computer systems and networking

- Ensured all designs produced deliver great user experience

- Ensured all functionalities of applications are working effectively

- Responsible for programming, interface design, and extensive data modelling to update a pre-existing application to modern database design and best practices.

Organization: Social Security and National Insurance Trust (S.S.N.I. T)

Position: National Service Personnel

Duration: 1year

Responsibilities:

- Oversees and coordinates the conversion of various documents into electronic/digital format.
- Registration of New Members
- Changing of Beneficiaries of Existing Members
- Solving I.T Related issues
